

## **Remarks**

Entry of the amendment is respectfully requested. No new matter has been added.

Reconsideration is respectfully requested.

## **Claim Status**

Claim 1 stands rejected under 35 U.S.C. § 103(a) as being unpatentable over Ross (US 6,626,357) in view of Lundblad (US 4,447,714).

Claims 2 - 27 were indicated allowable over the prior art if written in an independent form. The Examiner's early indication of allowable subject matter is greatly appreciated.

## **The Claim Amendments**

Claim 1 has been rewritten to include the subject matter of claim 2 and the additional limitation of a visual display. Support for the visual display is found in the specification, as originally filed, at page 17, line 20.

Claim 2 has been canceled from the subject application. Newly added claim 28 includes the subject matter of original claims 1 and 2. Claim 3 has been amended to depend from newly added claim 28. Thus, it is respectfully submitted that claims 1 and 3-28 are allowable.

Additionally, claims 3, 5, 10, 18 and 20 have been amended to correct informalities in the claims as originally submitted. It follows that this application is in condition for allowance.

## **Fee for Additional Claims**

A second independent claim (Claim 28) has been added to the subject application to

replace canceled claim 2). It is believed that there is no fee for examination of this additional claim. However, if a fee is required, please charge the fee due to Deposit Account 09-0428 (Diebold Self-Service Systems).

### Conclusion

The undersigned will be happy to discuss any aspect of the Application by telephone at the Office's convenience.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
